SUMMARY

Computer Science and Engineering graduate (CGPA 3.60/4.00) with hands-on IT and ISP network support experience in troubleshooting, IP provisioning, VLAN configuration, bandwidth management, and fault isolation across ONU, router, and network layers. Skilled in Windows and Linux support, MikroTik RouterOS, VSOL EPON OLT, DHCP, DNS, VPN, and Nagios uptime monitoring. Comfortable providing both remote and on-site support.

EXPERIENCE

Junior Network Engineer (Intern) 03 June 2026 – 31 August 2026
InfoLink Limited *Dhaka, Bangladesh*

- Delivered remote and on-site technical support by troubleshooting connectivity issues across ONU, router, and network layers.
- Managed technical issues from initial diagnosis to resolution, providing remote assistance and coordinating field technicians when on-site support was necessary.
- Configured IP addresses, VLANs, and bandwidth queues on MikroTik routers and identified client devices using MAC addresses through VSOL EPON OLT.
- Monitored network uptime, latency, and bandwidth using Nagios, investigated alerts, and resolved or escalated network faults based on findings.
- Installed and configured ONU/router devices, performed RJ45/UTP cable termination, and configured NVR/CCTV systems with static IP addresses for remote access.

TECHNICAL SKILLS

IT Support & Systems: Windows, Linux (Ubuntu, Kali), VirtualBox, Tier-1 Technical Support, Hardware & Software Troubleshooting, Wi-Fi & LAN Troubleshooting, Ticket Handling, MS Office
Networking: TCP/IP, OSI Model, IPv4 Addressing, Subnetting, VLSM, VLAN, 802.1Q, Inter-VLAN Routing, RIP v2, DHCP, DNS, NAT, VPN
ISP & Network Infrastructure: MikroTik RouterOS/WinBox, VSOL EPON OLT, ONU Configuration & MAC Tracing, IP Provisioning, Bandwidth Management (QoS queues), Structured Cabling, DVR/CCTV Static IP Configuration
Monitoring & Security: Nagios, Cacti
Programming: Python, R, C, C++, Java, C#, JavaScript
Other Tools: Git, GitHub, Jupyter Notebook, VS Code, Microsoft Excel, Oracle Database, SQL

PROJECTS

Thesis: Heterogeneous GNNs for Cross-Cohort Glioma Grading | *GNNs, Optuna, Python*

- Benchmarked seven heterogeneous GNN architectures against tuned tabular baselines for glioma grade classification, training on 837 TCGA patients and validating externally on 284 CGGA patients.
- Best GNN reached 0.9203 AUC on TCGA (MOGAT with CTGAN), but tuned tabular models matched or exceeded it (MLP: 0.9307); explainability identified IDH1, IDH2, and age as key predictors.

Bangla Language Model (BanglaLLM) | *Python, PyTorch, SentencePiece*

- Built a custom transformer-based language model in PyTorch and trained it on a Bangla text corpus.
- Trained a custom SentencePiece tokenizer for Bangla text.

Chronic Kidney Disease (CKD) Prediction | *Python, Scikit-learn, Pandas*

- Built a machine learning workflow to predict chronic kidney disease from a dataset of 400 patient records.

Medical AI vs. Traditional Medical Research: Comparative Analysis | *Python, Pandas, Matplotlib*

- Applied text mining and NLP libraries to 200 BioRxiv abstracts to compare Medical AI with traditional medical research, and visualized findings with Matplotlib.

Additional Projects

- **Hand Gesture Mouse:** ESP32 NodeMCU, MPU6050 motion sensor, Flex sensors.
- **2D City Street Simulation:** OpenGL, GLUT, Code::Blocks.
- **Medicine Management System:** C#, .NET Framework, Visual Studio.

EDUCATION

American International University-Bangladesh (AIUB) 2022 – 2026
Bachelor of Science in Computer Science and Engineering (Major: Information Systems), CGPA: 3.60/4.00

Shaheed Bulbul Government College 2018 – 2020
Higher Secondary Certificate (Science), GPA: 5.00 *Pabna, Bangladesh*

Kushtia Zilla School 2010 – 2018
Secondary School Certificate (Science), GPA: 5.00 *Kushtia, Bangladesh*

CERTIFICATIONS & TRAINING

- AI Build Fest 2026 Participation Certificate – The Infinity, 2026
- Cisco Certified Academy Program – Cisco, 2022
- Certificate of Presentation, 7th Bangladeshi International Conference on Industrial Engineering and Operations Management (IEOM), AIUB, 2024

EXTRACURRICULAR ACTIVITIES

- Member, AIUB Computer Club, American International University-Bangladesh (AIUB) 2023 – 2026
